Important Questions	Answers	Why This Matters:
What is the overall deductible?	<p><u>Network</u>: \$100 Individual / \$200 Family <u>Non-Network</u>: \$375 Individual / \$750 Family Per calendar year. Does not apply to copays, pharmacy drugs, and services listed below as “No Charge”.</p>	<p>Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p>
Are there services covered before you meet your deductible?	<p>Yes. <u>Preventive Care</u> and categories with <u>copay</u> are covered before you meet your <u>deductible</u>.</p>	<p>This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u>. See a list of covered services at www.healthcare.gov/coverage/preventive-care-benefits/.</p>
Are there other deductibles for specific services?	<p>No, there are no other <u>deductibles</u>.</p>	<p>You don't have to meet <u>deductibles</u> for specific service, but see the chart starting on page 2 for other costs for services this <u>plan</u> covers.</p>
What is the out-of-pocket limit for this plan?	<p>Medical- <u>Network</u>: \$2,000 Individual / \$4,000 Family Non-<u>Network</u>: \$4,000 Individual / \$8,000 Family per calendar year</p>	<p>The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>
What is not included in the out-of-pocket limit?	<p><u>Premiums</u>, <u>balance-billing</u> charges, <u>deductibles</u>, health care this <u>plan</u> doesn't cover, penalties for failure to obtain pre-notification for services.</p>	<p>Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</p>
Will you pay less if you use a network provider?	<p>Yes. See www.myuhc.com or call 1-866-527-9596 for a list of <u>network providers</u>.</p>	<p>This <u>plan</u> uses a <u>provider network</u>. You will pay less if you use a <u>provider</u> in the <u>plan's network</u>. You will pay the most if you use an <u>out-of-network provider</u>, and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you</p>

for some services (such as lab work). Check with your provider before you get services.

You can see the specialist you choose without a referral.

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
