Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Service

Coverage for: Employee/Family | Plan Type: PS1

 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE:** Information about the cost of this plan (called the premium) will be provided separately.

**This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.teamsters251hsip.org](http://www.teamsters251hsip.org) or call 1-401-467-3323. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform) or call 1-401-467-3323 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	<u>Network</u> : \$250 Individual / \$500 Family <u>Non-Network</u> : \$500 Individual / \$1,000 Family Per calendar year. Does not apply to copays, pharmacy drugs, and services listed below as “No Charge”.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive Care</u> and categories with <u>copay</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered services at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits/">www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <u>deductibles</u> for specific services?	No, there are no other <u>deductibles</u> .	You don't have to meet <u>deductibles</u> for specific service, but see the chart starting on page 2 for other costs for services this <u>plan</u> covers.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	Medical- <u>Network</u> : \$2,000 Individual / \$4,000 Family <u>Non-Network</u> : \$4,000 Individual / \$8,000 Family per calendar year	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing</u> charges, deductibles, health care this <u>plan</u> doesn't cover, penalties for failure to obtain pre-notification for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> limit.

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <b>network provider</b> ?	Yes. See <a href="http://www.myuhc.com">www.myuhc.com</a> or call 1-866-527-9596 for a list of <b>network providers</b> .	This <b>plan</b> uses a <b>provider network</b> . You will pay less if you use a <b>provider</b> in the <b>plan's network</b> . You will pay the most if you use an <b>out-of-network provider</b> , and you might receive a bill from a <b>provider</b> for the difference between the <b>provider's</b> charge and what your <b>plan</b> pays ( <b>balance billing</b> ). Be aware, your <b>network provider</b> might use an <b>out-of-network provider</b> for some services (such as lab work). Check with your <b>provider</b> before you get services.
Do you need a <b>referral</b> to see a <b>specialist</b> ?	No	You can see the <b>specialist</b> you choose without a <b>referral</b> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

### Grandfathered Health Plan Notice

This Plan believes it is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (“the Affordable Care Act”). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Administrator at (401)-467-3323. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform). This website has a table summarizing which protections do and do not apply to grandfathered health plans.
